

Canopy Couture

Customers can explore a classic houseplant style in a new way with the Canopy Collection™ from leafjoy[®]. This carefully curated line of hanging baskets is comprised of premium varieties all chosen for their outstanding cascading or climbing performance. Indoor gardeners will love watching them branch out or trail from containers as they grow and change shape.

The Canopy Collection allows customers with even the most minimal space to bring the joy of houseplants to their homes or offices. It's one more way to bring nature inside!

With more than 30 varieties handpicked from our leafjoy littles™ and premium collections, there's something for every houseplant lover. Choose from seagrass or ceramic containers to offer options for a variety of décors and styles.

Available in 3 sizes: 9 cm, 10 cm and 12 cm.

Combine Canopy Collection with 12-cm and/or 17-cm plants, leafjoy littles™, Terraform™ Terrariums and H₂O[®] varieties for custom, low-minimum shipping of as little as 10 cases.
